

I DON'T JUST WEAR THE SHIRT. I LIVE IT.

Your support of United Way will touch thousands of families and individuals in Regina. Your generosity will change lives and improve our community for every one.

I have seen the impact of United Way's work in our city and it has left a deep impression on me. By living united, I know we can change our community for the better.

As Campaign Chair I take great pride in leading one of Regina's most important community endeavors - the United Way Circle of Care Campaign. I encourage you to make a difference by donating today to United Way of Regina.

Together, we are changing lives

Bryan Burnett

United Way Campaign Chair 2009
